

# **PALISSY GALVANI**

1895

115 years after the foundation of Palissy GALVANI our administrative and commercial services moved out of the emblematic Chiado.

In our Logistics Centre in Granja (Vialonga) we prepared 600m<sup>2</sup> to show our best brands and products, provide training to our customers and improve the productivity of our team.

With excellent access, parking, plenty of space and a team that values hospitality, we continue with the goal to extend our partnership relations with customers with whom we have the privilege to collaborate on joint projects.

1895
